## Sonoma Has Goddess Candidate

### Hearing In Matter of Non-Payment of Business Tax Held

### Will Dedicate Jack London Memorial During the Celebration

#### DEFENDANTS' MOTION FOR NEW TRIAL JURIST GRANTED BY RECORDER

Lutgens, Small, Sprague and Thomson, Defendants in City of Sonoma Case, Win Point.

City Recorder Cofeen presided over the hearing in the motion of Attorney Sprague for A. W. Lutgens, et al. that the defendants in the case of the City of Sonoma vs. Lutgens, J. L. Small, A. M. Thomson and Sprague be granted a hearing before another judge. Sprague, who appeared as attorney in the action of which he is a principal, argued that it was mandatory upon the court in a case which involved the non-payment of a business tax to grant an outside jurist if the defendants so requested.

Attorney Posthwaite for the City of Sonoma resisted the point. Attorney Sprague, involved as he is in the matter, waxed particularly eloquent and was so convincing that Recorder Cofeen decided that an outside magistrate might preside at the regular hearing. It was so ordered.

The defendants are business and professional men who refused to pay a new revenue producing tax on the ground that the tax was illegally framed through a defective ordinance and is an arbitrary measure.

Justice of the Peace Small, one of the defendants, resigned as city recorder when it became incumbent upon the recorder to hear the case. His place was filled by the Board of City Trustees who appointed Cofeen. Proceeding on the supposition that Cofeen might be prejudiced in favor of the men who elevated him to office, the defendants asked for another magistrate.

#### S. PINELLI HERE FROM MEXICO

S. Pinelli, of Mina, Sonora, Mexico, arrived here last Saturday on a visit to his brother, A. Pinelli, who has been ill for some time. The visitor from Mexico had not been in Sonoma for five years and was warmly welcomed by his relatives and his many friends.

Pinelli has valuable holdings in the Southern republic and declares that conditions are much better than formerly. Railroads are being rebuilt, money stabilized and industries resuming operation. He declares there is a fine market in Mexico for California wines which can be exported to that country. Wine and beer are sold there without tax and the Mexicans are particularly a wine drinking people. Strong liquors are taxed high and are not popular.

Recently, through Mr. Pinelli's influence, permits were secured which enable Sonoma Valley wine men to ship to Mexico, thus reducing the big stock which they have had tied up since prohibition.

#### CHIEF W. B. CAUSE'S REPORT ON CARNIVAL

Chief W. B. Cause brought in a report of the recent carnival at Boyes Springs but the matter was too late for this week's issue. Read it next Saturday as it tells of the \$900 paid on the fire engine as a result of the recent May Day festival.

#### Card Party Postponed to June 13

Benefit for Celebration Fund, to be Given by Club. Prizes for Winners and Whiskers.

The Woman's Club card party for the benefit of the Mission Centennial fund has been postponed until Wednesday night, June 13th, when a large crowd of whist players is expected. Everyone is urged to come in costumes and the gentlemen have a special invitation with the added inducement of capturing a prize if their whiskers take the eye of the judges. There will be prizes for the highest score at whist and for the handsomest whiskerino.

Music, dancing and refreshments will supplement the good time and the official celebration song will be sung in rousing chorus.

Do not forget the date—June 13th—at the Woman's club house.

#### MAX KAPLAN PAROLED BUT IS JAILED AGAIN

Former Sonoma Merchant Gets Out of San Quentin But Goes Into Sonoma Co. Jail on Perjury Charge.

Max Kaplan who conducted a large up to date merchandise store in Sonoma a year or two ago and was caught defrauding his creditors after going into voluntary bankruptcy, went to San Quentin for the offense and was released on parole a week ago. He no sooner got out than he was re-arrested on a federal grand jury indictment and sentenced by Judge Van Fleet to serve one year in the Sonoma County jail on the perjury charge. Kaplan plead guilty on this count, throwing himself on the mercy of the court but the judge declared that Kaplan's request to go to work for his sick wife and children was all in vain because a federal judge could not grant him probation. He was advised to apply to the federal parole board.

After Kaplan had filed his petition in voluntary bankruptcy in the S. F. courts in 1921 he began to systematically remove goods from his Sonoma store and cached several thousand dollars worth of merchandise in near-by towns. He was shadowed, the fraud exposed and a large part of the goods recovered. He was then prosecuted.

#### MISSION PLAYERS COMING FOR REHEARSALS

Philip Whiting, technical man, supervisor of properties and stage lighting who has been associated with the Pilgrim Play in Los Angeles, is here working for Garnet Holme on the Mission production.

Katherine Edson, famous in dramatic circles about the bay and who has been active in preparations for the Margaret Anglin productions at the Greek theatre, Berkeley, comes here Tuesday with Virginia Whitehead to supervise rehearsals of the three episodes of the Mission play.

M. Garnet Holmes' associates are all high up in professional dramatic circles and the coaching which Sonoma people participating in the play will receive will be of the highest order. It is a rare opportunity to be coached by such artists.

#### Miss Beth Lane Nominated for Goddess of Liberty for July 4th

Sonoma Valley has a charming young candidate for Goddess of Liberty for July Fourth in the county wide contest for the honor to rule over the national holiday program of the Mission Centennial—Miss Beth Lane daughter of Mr. and Mrs. Z. Lane prominent orchardist of this section. Miss Lane who is a student at Miss Head's School, Berkeley, is home on her vacation and her friends believing that she will make a strikingly beautiful goddess have placed her in nomination. Other Sonoma Valley young ladies will also compete.

In Santa Rosa where Judge Sea-

well's daughter was Queen of the Burbank Jubilee, the Sonoma Goddess of Liberty Contest is the topic of conversation and Santa Rosa is to have a candidate. Petaluma has also entered a charming daughter who wants the honor to preside at Sonoma.

The Goddess of Liberty will be the center of a beautiful revue and tableaux here on the Fourth. The girl receiving the highest vote will be Goddess and the five next highest will represent countries prominent in the history of California. The contest closes June 23rd.

#### LAI'D TO REST IN FAMILY PLOT SUNDAY

Funeral of William H. Hanger Is Largely Attended by Friends From Both Far and Near.

Besides the beloved wife and life partner who preceded him to the great beyond, the remains of the late William H. Hanger were laid to rest last Sunday in Mountain Cemetery.

The funeral services at the family home were largely attended, friends and relatives coming from near and far to pay tribute to the memory of deceased and to condole with the bereaved daughters, Mrs. R. B. Hunter and Mrs. C. Pomeroy. The floral offerings attested to the regard for this pioneer Sonoma County citizen who has passed to broader fields of usefulness after a long and active life.

The services were conducted by Rev. Stephen Crowe, assisted by Rev. Isaac Cookman. Music by Mrs. Ida Hotz and Mrs. Burlingame were beautiful numbers, favorite hymns of deceased.

The pallbearers were those who had been selected by Mr. Hanger himself when his good wife passed away. They were Messrs. LaTorres, Irby, R. Hotz, George Lowell, Frank Meyer and George Daunt.

The late William H. Hanger was born in Staunton, Virginia, August 1855. He was the youngest of fourteen children and the last to survive. In 1878 he was married to Miss Mildred Bear, a Southern belle and of this union two daughters were born, both in Virginia. In 1888 the family came to California, settling in Petaluma where Mr. Hanger engaged in business. In 1902 he moved to Sonoma as manager for Raymond Brothers and after fire had destroyed the store on Broadway, he became associated with F. Duhring. He was active in business up to the time a paralytic stroke impaired his health, after which he retired. He was a member of the Order of American Foresters, Petaluma Lodge.

Among out of town people here for the funeral were Mr. and Mrs. Daunt Mr. and Mrs. Frank Meyer and Mr. and Mrs. Charles Peck, all of Petaluma; B. C. Smith, C. Heizer, Misses O'Brien, of San Francisco; Mr. and Mrs. E. Pomeroy of San Francisco; Miss Virginia Pomeroy, Mrs. M. Hammergren and Mr. and Mrs. J. W. Ford of Santa Rosa.

#### DEPUTY SHERIFFS RAID ROSSI'S

Unlawful Possession of Liquor Is Charge Against El Verano Resort Owner.

Deputy Sheriffs Joe Ryan of Sonoma and Frank McGill of Schellville, raided the resort of Al Rossi at El Verano Tuesday night and arrested the proprietor. The officers declare that they seized a bottle of moonshine as evidence and Rossi was charged with illegal possession of the liquor. On Thursday the resort keeper appeared before his Honor, Judge Lester Small who upon hearing the plea of guilty, fined defendant \$250.

#### CITY DADS FOSTER THE CHILDREN'S PLAYGROUND

City Trustee Ed Lindley has all the data on a fine playground for children in the Plaza. The apparatus will cost \$500 and the city will lay out grounds for the recreation of the little folks. Some of the devices for the playground to be acquired are as follows:

Stationary circular travel rings, rock-a-bye swing, parallel bars, the flying revolving swing, revolving circle wave settee swing, safety platform slide, graduated horizontal bars and kindergarten chair swings.

It is planned to accept voluntary subscriptions to the children's playground. Now is your chance, friends of the little folks. Make the kiddies happy. The city has no money to install a playground but has plenty of land, and Trustee Lindley will supervise the work of putting in the paraphernalia and will interest his colleagues in maintaining it.

The following donations have already been received:

E. T. Lindley, \$10; Tom Corcoran, \$10; Jack Walton, \$10; E. O. Hoyer, \$10; Expositor-Forum, \$7.50; Garry's Garage, \$5; Maffei Bros., \$5; Jep Valente, \$5; Union Hotel, \$5.

#### Large Crowd At Laying of Cornerstone

New St. Francis Church Ceremonies Attended By Many Church Dignitaries and Parishoners.

At 3 o'clock last Sunday afternoon, according to the rites of the Roman Catholic church, the Rev. Father John M. Cassin, personal representative of Archbishop Edward J. Hanna, laid the corner stone of the new church of St. Francis in Sonoma in the presence of a large congregation.

Following laying of the cornerstone and the prescribed ritualistic ceremonies, Father Cassin said the benediction of the blessed sacrament. Father William Flemming of San Rafael delivered an eloquent sermon. Father John Byrne, rector of Sonoma, was master of ceremonies. Rev. Father Mehan of San Francisco, and Rev. Father Delehanty of Cotati also assisted in the service.

#### MISS LILY WEISS IS BRIDE OF L. PERKINS

Daughter of Prominent Residents of Fetter's Springs Weds Young Musician Last Week.

A romance which began at the Flowery School, Agua Caliente, when both were going to school there, terminated last week in the wedding of Miss Lily Weiss and Leslie Perkins of Agua Caliente. The wedding was quietly solemnized in San Francisco and was a surprise to friends and relatives.

The bride is the daughter of Mr. and Mrs. Weiss of the Ideal Resort and since her graduation from High School has held a good position in San Francisco. She is a striking girl of Titian type beauty and a graceful dancer.

Perkins is well known in music and athletic circles and has been playing with a local orchestra at one of the leading resorts of Sonoma Valley. It is rumored that he has resigned from the orchestra and will accept a position in the oil fields of Kern county.

## You Can Screen Out Summer Insect Pests

YOU CAN DESTROY the breeding places of Flies and Mosquitoes, as well as trap and kill many of them—and you ought to do so. But there will still be enough of these pestiferous insects left to make summer comfort out of the question if you don't screen them out of your home.

Flies and mosquitoes work in relays; flies by day and mosquitoes by night; and then there are the moths and other night flying insects. Your only protection from their assaults is screening of windows, doors and porches.

The annoyance caused by flies and mosquitoes is reason enough for screening them away from folks; but that is a trifle compared with the terrible losses in health and life they cause as carriers of disease.

You must screen early because a single last year's left-over female fly can populate a whole neighborhood. Mosquitoes are also prolific. Better let us measure your windows for screens today; doors, too, of course. And you'll be wise to make a summer room of that porch by screening.

We are at your service and we'll do the job right; but remember, flies and mosquitoes start early in the Spring and work fast.

### DECORATION DAY

While we shall never on Memorial Day cease to mourn our national heroes and those who have made sacrifices for home and country, a new meaning is being written into the holiday, as the thought of war's folly grows in civilized nations. The new Decoration Day is to be a more constructive one. We will not alone weep and steep ourselves in sorrow but we will concentrate on thoughts for war's prevention and for the averting of such calamities as put gold stars on our service flag.

Most of us will have made up our minds this Decoration Day or next, what national policy we will support in regard to war or peace. Just now the present administration has its ear to the ground on this very question, President Harding's world court plan having been put forth as a panacea for war.

It is quite apparent that the world court plan which is a compromise between the League of Nations and the "hands-off" policy of political theorists, will be the most talked of issue in

the next campaign. It is nothing more than a mode of arbitration and the people of the United States must not be stampeded by jingoists into the thought that the world court will draw us into the vortex of war. It is a preventative measure and looks tenable.

### OFFICERS NAB LARGE STILL AND MOONSHINE

A large steel still, 20 gallons of moonshine whisky and a jug of wine were seized by county officers in a raid on the Angelo Sadino ranch near Kenwood Tuesday afternoon. Following the raid a complaint charging illicit manufacture of intoxicating liquor, was filed against the man in the justice court here.

It is said that the raid was made following numerous complaints from neighbors of the alleged moonshiner. All the evidence seized in the raid was brought to this city and is in the hands of the officers for use at the man's trial. Santa Rosa Republican.

### ANNUAL EXHIBIT AT THE HIGH SCHOOL

The Sonoma Valley Union High School's annual exhibition and contests have been in progress this week at the new school building which gives splendid opportunity for the various departments to display their work.

The exhibits were put on display Thursday and were viewed by parents and friends of the school, much favorable comment and praise being heard on all sides. The afternoon wound up with a base ball game with San Rafael High School and much school spirit was in evidence. The evening program for Thursday was the one act play presented by a clever cast and also a declamation contest for future 4th of July orators.

Yesterday in addition to the regular school work there were contests in sewing, typing, stenography, etc., to which the public were made welcome.

The afternoon was devoted to a reception to the eighth grade pupils of the district schools of the valley who were shown the work being done by High School students and were otherwise entertained. In the evening oration contests, good music by the High School orchestra and dancing until midnight wound up pre-commencement days.

#### Notes On Exhibit

The Agricultural Department had a creditable exhibit showing various soil tests, grain, pests and insect control. Young farmers, horticulturists and dairymen get a good start in scientific essentials. Next year there is to be more field work in agriculture. Mechanical drawing is practically taught at Sonoma High School, as the detailed drawings of real intricate

parts proved. The architectural drawings were excellent. Among them the bungalow plans by Miss Irma Adler who intends to specialize on architecture, as her profession.

But it was the sewing exhibit that evoked the greatest enthusiasm from the ladies. This department had a smart exhibit of beautiful frocks, lingerie, dresses, embroidery and hand made laces. There was mending and buttonhole making, all very neatly done by the girls of the high school sewing class. There are 40 taking this course and Miss Byrne is the efficient teacher.

The rich Delft blue willow plate design from the play "The Turtle Dove" was the work of Roy Wirtz, of a talented family. The plate was symbolic of everything in the Chinese play. Young Wirtz is new president of the student body.

In the Manual Training Department were many library tables and other furniture made by students. There were also the wooden signs of the old Mission, shortly to be put up along the highway.

## a better crude makes a better oil

Zerolene oils are made from selected Western Naphthenic Crude, which repeated tests have shown to produce an oil having greater "crawling" qualities, greater adhesiveness, and greater stability than oils made from other crudes. Hence the car lubricated with Zerolene will use about 5% less gasoline because it is continuously better lubricated.

Moreover, Zerolene produces less carbon than any other oils we have tested or been able to produce. Cars lubricated with Zerolene run from 25% to 50% farther before valve-cleaning and carbon-removing operations are necessary.

Insist on Zerolene—even if it does cost less.

#### DECORATION DAY WAS OBSERVED HERE

Flags were at half mast Wednesday morning for the national holiday, Decoration Day, and about 10:30 the Sonoma Park Band assembled in the Plaza and played several appropriate marches. The band boys then marched to the cemetery where they played "Old Hundred," "Nearer, My God, to Thee," "America," and other numbers.

The cemeteries were visited by many during the day and family plots were as usual decorated beautifully. The graves of soldiers of the various wars were marked with Old Glory.

The music, a tribute to the dead by local musicians, was praised by our townspeople who every day in every way see the community usefulness of this promising organization, the Sonoma Park Band.

#### SALUTE, SENOR BUNDSCHU!

If you see a handsome Spanish cavalier down Vineburg way looking as though he had just come over from Seville, you will know it is none other than Don Walter Bundschu, one of the leading spirits of the Sonoma Mission Centennial celebration.

Senor Bundschu acquired a wonderful costume in San Francisco last Saturday and will soon have Mayor Louis Martin of Vineburg issue a proclamation that everyone in that part of Sonoma Valley come out in costume.

Miss Virginia Pomeroy goes to Chicago shortly to join a Russian ballet in one of the big companies.

#### MISS MCINTOSH TO BE A JUNE BRIDE

Miss Isabella McIntosh of Berkeley daughter of Mr. and Mrs. D. McIntosh, Sonoma has been the guest of her parents for the past two weeks. Miss McIntosh returned this week to Berkeley to complete plans for her coming marriage to Mr. L. C. Weber, also of that city.

The young couple will be wed on June 14th, at the First Congregational Church of Berkeley, the Rev. Oswald W. S. McCall officiating. Only the relatives and immediate friends of the bride and groom will attend the wedding. After a honeymoon trip the home of the young couple will be established in Northbrae, Berkeley.

While in Sonoma Miss McIntosh spent a couple of days with her friends, Mr. and Mrs. Frank Betten-court of Buena Vista.

#### MISS TUOMEY PAYS TRI- BUTE TO WHISKERS

In a brilliant article in the Press Democrat of last Sunday, Miss Honoria Tuomey who is on the Sonoma Mission Centennial Research Committee told of her discoveries of the Sonoma whiskers, a most remarkable product of the celebration era in our historic city.

Miss Tuomey suggests that the General Vallejo style beard be the official pattern and after eulogizing several local whiskerinoes says "increase and multiply illustrious Vallejo chops."

Miss Tuomey has been here from Bodega, a guest at the home of Mrs. Lulu Vallejo Emparan.

THE UNIVERSAL CAR

## Announcement of Interest to Millions of Families

"I will build a car for the multitude," said Henry Ford in 1903. Read how the fulfillment of that prophecy is made possible through the

## Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the FORD the universal family car—to put it within the reach of the millions of people who have never been privileged to enjoy motor car ownership. During the past fifteen years over 7,500,000 Ford cars have been placed in the homes of retail customers—more than a million and a half of them within the past twelve months—and yet there are millions of families who are hopefully looking forward to the day when they can own a Ford.

### And Now the Way Is Open

Under the terms of this plan you can select your Ford car, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks, where it will draw interest. Think it over. Five dollars will start an account. The whole family can participate in it—father, mother, brothers and sisters each doing a little.

Why not start today. Stop in and talk it over with your local Ford Dealer. He will be glad to explain the details of the plan and help you to get started toward the ownership of a Ford Car.
